On Tax Reform:

Hello, this is (name) _____
from (city) _____ in your district.
I'm calling about the need for honest tax reform. Citizens are aware that tax expenditures - loopholes and deductions - are government spending by a different name. I want you to include a review and justification of all tax expenditures in the budgeting process. It's time for honest tax reform in Minnesota. Thank you. Good bye.

On Adequate Revenue:

Hello, this is (name) _____
from (city) _____ in your district.
I'm calling to express my support for a fair and equitable approach to balancing our state budget. Minnesota needs not only spending cuts but adequate revenue to invest in our future. I am specifically concerned about Minnesota's investment in _____ *(Add your personal priorities here, such as education, infrastructure, the environment)*. Thank you for using your votes to ensure adequate revenue that supports the common good. Good bye.
